Core Values
The *Evangelical Review of Society and Politics* subscribes to the historic decisions of the early church councils. We hold dearly to the deity of Christ, the virgin conception, salvation through Jesus Christ, and the Trinity. We also believe in the unity of Scripture and consider the Bible as the final authority on all issues of faith and practice. This high view of Scripture requires submissions to be underpinned by a thoughtful biblical and theological analysis. The Editors also welcome non-Evangelical contributors to submit critiques of Evangelical political and social thought, providing they are suitably respectful of our values and beliefs, and that submissions are of interest and relevance to the aims and readership of the journal. Articles appearing in the journal do not necessarily reflect the views of the Editors.
